

MEASUREMENTS - GUIDE ONLY

PLEASE NOTE: Our sizing is in centimetres unless stated otherwise. The size guide is to assist you in getting the right fit, the first time. Please follow our *HOW TO MEASURE* guide below. For accuracy, it's best to measure your body, we do not suggest measuring your clothes.

If finding the correct size for you is too confusing, support your local stockist by purchasing them in-store, where friendly staff can give you personalised and expert face-to-face advice on fit and sizing. We believe that there's no substitute for getting some professional advice while supporting your local retailer!

HOT TIP

Some of our customers tell us that they figure out their sizing by subtracting **5** from their usual AUS size (For example. If you are an AUS size 12, try a US size 7).

For accuracy, please refer to our *HOW TO MEASURE* guide at the top of the page or support your local stockists by purchasing your new favourite Wrangler® jeans instore.
